# SECRET CRUSHES

*We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.*

Hi, my name is Ben and I'm writing to Sarah (Vandella) in your last issue. Ahem!... You are by far the most gorgeous and sensual woman I have ever seen. You are so exotic and special, I am so glad that you chose to go into porn so that I might enjoy grabbing my dick while looking at pictures of you showing off every last inch of your amazing body. I am sure you hear this all the time but I wanted to tell you that I cannot stop thinking about you and I fantasize about what it would be like to be inside of you or have your perfect mouth on my dick. I felt an instant attraction towards you even before I got a full eyeful of your blonde beauty. You have the most delicious pussy I have ever seen. How I long to kiss it! I hope that you will be shooting photos and making videos for a long, long time.

*– Ben, MO*

Being something of a pussy expert, I'd like to commend you on always having a fine selection of pussy on view on the pages of your mag. I've read some letters in the past sent by misguided gents who beg for more ladies with hair down there. Well, here's my two cents on that: bald is beautiful. A slick, hair-free area allows for greater cheer to be lavished upon the important spots when going down for some chow. Hair just gets in the way, don't those fuzzy puss addicts get that? Perhaps they are the enlightened losers who don't partake of eating out the woman. I know that if they ate bald, they would never go back. Bald? Yes, my preference is absolutely nothing down there. No landing strip; no arrow pointing down to it, and especially no smarmy hearts. Keep it clean. I am so glad to know better. Keep the bald beavers coming!

# MEN JUST LOVE IT WHEN WOMEN ARE WET. AND THEY LIKE IT ,TOO

*Water is one of nature's truly great creations. As are women. Put them both together and it drives us men crazy. We asked five women to explain where and how they got wet.*

## RAVEN ALEXIS

Water places give me a chance to wear a tiny bikini… I love wearing skimpy things in public. Actually, if I had it my way, I'd love to just walk around naked at the shopping mall! Well one day at the staple, I overheard Billy talking to one of the horses. He was talking about how he was going skinny-dipping in the nearby lake that night. Well, I decided to show up there first, took off everything, and swam into the lake. I floated on my back and fingered my pussy. When I heard him get in the water, he saw me and in a minute, his finger replaced mine. Then he dove under water and began licking me there. The feeling of Billy's tongue was too much to bear and my cum gushed throughout the lake!

## HOLLY HALSTON

Oh my God! I love water sex! And, it's so funny you're asking me this question today. You know what happened to me last Saturday? I like to get in touch with my spiritual side. So, I'm on a bike path thru the Cascades and I slipped off the trail to one of my favorite spots. It's a pretty, unknown, hot water spring about the size of a tennis court. So I was going through my typical routine, which involves stripping naked and hopping in with my big, rubber dildo in one hand. I was delighting in the sun and water… and, of course, the pulsations of my pussy as I hammered my hole with this massive, plastic cock. When I opened my eyes, I saw the cutest college dude standing there. He was staring at me; his mouth wide open. I asked how long he'd been standing there. He said "Long enough to get hard." Then I told him to bring it over and let me see. The initially shy lad stripped to his birthday suit and hopped in. Of course, a 21-year-old guy's got now patience, and he immediately had his cock in my pussy and was thrusting out of control. Naturally, he only lasted for about 45 seconds! But, you know why he was the best water sex ever? Because 20 seconds later, he was hard again!

## ANDIE VALENTINO

Okay, here we go. I was at a ski resort in Vermont, and had just broken up with my boyfriend earlier on the slopes. So, it was about three in the morning, and I couldn't sleep… I was so upset. So, I bundled up and went to the outdoor hot tub. I did what any young woman would do. I got naked and hopped in. I wasn't expecting anyone else to be around. And, I'm going to confess: I did something very naughty. Well, I put my ass over one of those jets that shoot out hot water, and I let the hot water tickle my ass hole and pussy. And of course, I also started gently rubbing my clit and started moaning. I really lost myself in ecstasy and when I looked up, my boyfriend was standing at the top and jacking his dick furiously. "Get in here and fuck me!" I said. He obliged... and I positioned myself in the hot jet that fired up my ass as his cock fired up my pussy. Oh my God, was that ever some crackling-hot makeup sex. I swear I don't know what my temperature was, but I think the thermometer would have broken if you tried to take the temperature of my pussy. Anyway, we fucked until the sun came up. The following morning, we broke up again… And again that night we fucked our brains out in the hot tub again!

## SOPHIA JADE

For me, this happened a few years back. I was single, and it was the summer, so off I went to the beach in search of some man-meat. Now, you guys know there's not a girl who has hard time getting laid. But, what I wanted was an adventure. My first night there, I went for a midnight swim. I put on a tight little pink bikini that I knew was very revealing. I had planned to go masturbate in the ocean and to that end, I brought along an inflatable raft so I could lie back on it and diddle myself properly. The waves rhythmically rocked me as I had my first orgasm. Then, suddenly, I was upended by a boogie boarder and in an instant my body was tangled with a hot young stud who was having a moonlight boogie board ride. Before I knew it, I was on the raft with my legs up in the air as the handsomest boogier pumped his young rocket into my hungry pussy hole. It was glorious being rocked by the waves as this young guy fucked the hell out of me. We fucked for almost an hour – and we very nearly got lost at sea, but that's another story.

That question sort of makes me laugh because whenever I've been in the water, guys have teased me because of my big boobs. Well, I do love playing in the water for a couple reasons: first, swimming is just extremely sensual… And, second, because I admit it, I do love showing off my ass and big boobs in a bikini. So last summer I was headed up to Ft. Lauderdale to do some feature dancing and I was about ten miles from the club when I discovered a small inviting pond. I parked, stripped, and jumped into the cool water. I was swimming around underwater. When I came up to the surface, I saw five guys standing by the waters edge. Unbelievably, they all recognized me. "It's Gianna Michaels," they said. "We were going to the club to see you!" "Come on in and see me now." I said. Before I could say, "five horny frat boys with erections," they were all buck naked and in the water surrounding me. One asked, "May we?" How polite I thought and I responded by groping around underwater and grabbing dicks. Before I knew it, they were poking between my thighs and sliding in and out of my pussy. Those five frat boys were in such a frenzy by now, so I tilted my head back as their insatiable cocks kept thrusting at me and in me. So, I did arrive at the club a little late. A few minutes later, they came in and now there are some very happy guys throwing lots of money on my stage. I was happy to show them again what they just finished savoring.

# Wishful Thinking

While we've only been aware of Marie for about five or six years, it turns out she's been making movies for almost ten! Nonetheless, we became fans with the first time we saw her, and that was in the sizzling ginger-on-ginger scene with Faye Reagan. We thought you might like to see a few images from that shoot. Enjoy.

## Dillion Harper

Dillion, thanks for visiting us again How are you on this fine day?

I'm great, and you?

Oh, doing just fine, thanks! What have you been up to lately?

Getting laid. Going out to clubs. Spending time with my friends. Trying new restaurants.

Speaking of friends, how is L.L.? She's been a busy girl, too.

Oh man, she's great. She's such a trip. I just love her.

It must be so much fun having a BFF who is willing to do wild things with you.

As time goes on, the crazy things slow down, but we did get up to no good for a few years. Now we just get together and get wild when we need a break from our everyday mundane lives.

You mentioned you've been getting laid a lot. How much?

Twice a day if I'm lucky. My hormones are going crazy. I don't know what's up, but I'm even more insatiable than usual.

You've reached your sexual peak?

I hope not. I hope it gets higher than this! In a few more years, I want to retire and have all the time in the world to fuck all day long.

Is sex the most important thing in a relationship to you?

It can be. As everyone knows, relationships have ebbs and flows. Sometimes it makes more sense to concentrate on career or communicating or togetherness. But when times are good and everything is flowing, I just want to fuck. Sexual contact holds a relationship together. It's the way we express our love physically. Words are just that. I

# Wishful Thinking

## Dillion Harper

need action, and now I need a lot of it.

Are you the kind of woman who says "I love you." often?

I express my love with actions. I like to cook for my man. I keep a nice home. I keep myself looking good. I get new lingerie and I keep my hair done. I know what he likes in bed and I make sure to do it all for him.

You sound like a good girlfriend. True?

You know what? I treat my partners like I want to be treated. With respect and love. I'm on it. I may act a little crazy and I have a wild past, but I'm all about being there and totally present with my man.

Would you consider yourself dominant?

It all depends on the move. I get dominant when I need to come on and the flow needs some direction. I can't deny a person who can take charge of the situation and make it hot. So I guess I switch it up. Besides, only being one way can get pretty boring. The last thing I need to feel is boredom. Right?

Yup! So you must like to keep things spicy.

I need that as much for myself as for my partner. Things can get boring and repetitive real fast. That's why I like women and men, They each bring something new, or should I say, spicy to the table, or the bedroom.

Do you consider yourself a true romantic?

I can be very romantic. I like to do little thoughtful things for my partner. I love making really beautiful dinners and decorating the house with candles and fresh flowers. I buy little my gifts. If I hear him mentioning something he really wishes he had or something, I'll try to find it and pick it up. I like to be treated that way too. I think it's really sad that our society doesn't have room there for the romancing of a man. I don't know one man who doesn't like a few fresh flowers for himself. The last gift I got for my man was a set of silk cheetah print bikini underwear. He was so amused and he wore a pair around the house all night. Well, that is until I pulled them off with my teeth. I think you can figure out what that led to!

Have you been working more since we last met?

Yes I have. I mean I'm still having my pussy get a workout, and I'm trying some new things, like pegging a dude. That was a trip. So as you can tell, I'm trying to get a lot done before I decide to say "enough." I don't need to make this a career or anything, although I keep thinking about it. I just want to document my sassy ass while I look my best, so I can look back on these pages and movies when I'm an old woman and I can smile.

That's so nice. Please keep us in your favorite memories because you'll stay in ours.

Thank you, too.
